On-Site Maintenance & Operational Support Couple

- ✓ **Would you like to join a growing team and learn new skills?**
- ✓ **Are you looking to join a company that puts the learning, development, engagement and retention of its team at the heart of their operation?**
- ✓ **Are you looking to be a co-owner and celebrate in your company's success?**

If yes, Drummohr could be the place for you!

The Role

Here at Drummohr we are looking to recruit an On-Site Maintenance & Operational Support Couple to join our committed and growing team.

Who are we? We are a holiday lodge, glamping, camping, and touring site located in Musselburgh, six miles east of Edinburgh, Scotland.

As an On-site Maintenance & Operational Support Couple, you will support our mission to give our guests an unforgettable stress-free experience by ensuring that our accommodation, amenities, and overall holiday experience exceed their expectations.

Hours of work will be 30-40 per week between Friday AM - Monday MIDDAY. Peak seasonal hours and holiday cover and flexibility may be required. You will need your own touring caravan or motorhome to live in whilst working for us. This position includes your pitch together with electric hook up, free WiFi and use of laundry facilities.

Are we a match?

- ✓ Are you approachable with a friendly and positive attitude?
- ✓ Are you passionate about continuously improving our facilities and our guest experience?
- ✓ Can you show initiative and make decisions?

If yes, get in touch! Contact Angie on: Angie.Purves@wcf.co.uk or 07867237530
